

Our Work

Our portfolio speaks for itself. We've completed projects for leading franchises and trusted brands across the country—spaces that reflect our commitment to excellence.

Our Story

Sudoku Construction is built on the partnership of two friends, Chet Patel and Radhesh Rammurthy, who share a passion for building excellence. Chet's masterful eye for construction and infectious energy bring dynamic, functional spaces to life, while Radhesh's expertise in process ensures every detail aligns for seamless project delivery. Together, they combine creativity and precision to uphold the highest standards of quality and reliability.

CONSTRUCTION

Driving growth. One block at a time.

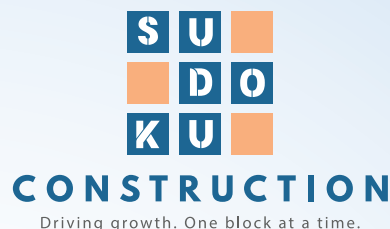

Building Success, One Space at a Time

Construction expertise you can rely on—
from planning to final inspection.

Who We Are

Sudoku Construction is a trusted partner for building impactful spaces across industries. From leading franchises to local businesses, we deliver functional, brand-aligned spaces designed to captivate customers and drive business success.

Why Sudoku?

As Tier 1 builders, we've earned the trust of brands like Baskin Robbins, Hilton, Dunkin' Donuts, and many more. Our expertise spans commercial and residential projects, from ground-up constructions to transformative makeovers. Every project is crafted with precision, staying true to your blueprint and brand identity.

Services We Offer

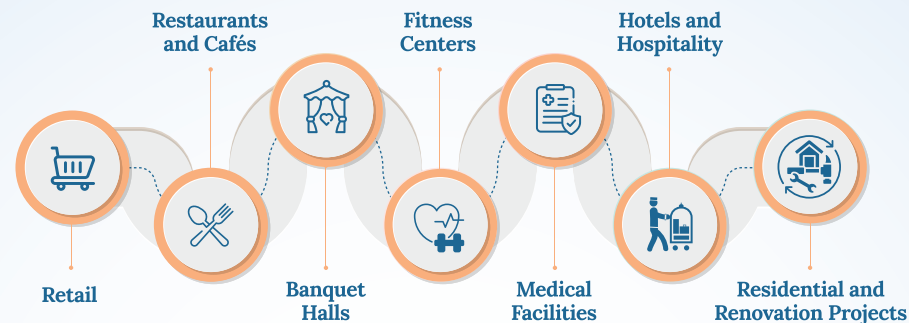

We simplify the construction journey with comprehensive services:

 General Contracting Complete construction solutions, from site prep to final build.	 Owner Representation Acting as your advocate to ensure all details align with your goals.
 Compliance and Permitting Securing permits and Certificates of Occupancy (CO) with ease.	 Site Evaluation and Feasibility Assessing locations to ensure they fit your vision and needs.
 Budgeting and Scheduling Realistic cost planning and timelines to keep projects on track.	 Construction Management Coordinating teams and resources for seamless execution.
 Insulation Services Energy-efficient spray foam and cellulose installations.	 HVAC Services Reliable HVAC installation and maintenance for optimal climate control.
 Vendor Coordination and Procurement Sourcing quality materials on time and within budget.	

With Sudoku, you're not just getting a builder—you're gaining a trusted partner committed to delivering spaces that reflect your vision.

Industries we serve

Our expertise spans a wide range of sectors, allowing us to craft tailored spaces that enhance customer experience and brand identity. Here's where our work shines:

Our Industry Edge

With a proven track record in creating spaces for national franchises and high-traffic businesses, we understand the demands of today's fast-paced, brand-driven industries. Our work stands out for its consistency, attention to brand identity, and delivery within fast turnaround times—all key in driving foot traffic and revenue.

What Makes Sudoku Different?

 Brand Fidelity Spaces that remain true to your brand identity.	 Streamlined Approvals: Smooth permitting and timely COs through established relationships with local officials.
 Efficient Turnarounds: Rapid, high-quality execution that meets your timelines and budgets.	 Proactive Communication Clear, consistent updates that keep you informed at every stage.
 Long-Term Partnership: We're here for your growth, offering ongoing support as your needs evolve.
